DAY CARE BLIP THIS WEEK

The past couple of weeks we have had children leaving the center and some children graduating and moving to older age groups. This week we are welcoming back a family who has had three children go through our programs, with their youngest joining the Infant Room.

March Break is here and our School Ageds have a lot planned. They will be making their lunches all but one day. We will be making homemade chicken noodle soup to go with grilled cheese, homemade macaroni and cheese accompanied by hot dogs, and homemade potatoes wedges and chicken nuggets. We also have planned for a trip to Pizza Pizza for lunch, as well as a trip to the library and a park. And to end the weekend we have invited the School Age kids from East Toronto's Kid Zone to join our Master Blasters where they will be creating giant sling shots.

Teachers also enjoy March Break as two of them will be on vacation.

Majors

Clarence and Karen Ingram

Divisional Commander
Divisional Secretary for Women's Ministries
Bahamas Division, Caribbean Territory

We consider it a privilege and a blessing to be entering our sixth year of ministry in the Caribbean Territory. In September 2016, we were working through the details of the burglary and fire at our quarters; then Hurricane Matthew arrived the first week in October. The 265 kilometre-per-hour winds and heavy rain caused significant damage, especially in Nassau and Freeport. Two months after the hurricane, electricity was finally restored to Freeport corps.

In the midst of the recovery effort, the division held a major event in celebration of 85 years of Salvation Army ministry in the Bahamas. After the difficult months following the hurricane, our officers enjoyed their first retreat in four years.

In April 2017 we moved back into our fully repaired quarters. We are thankful beyond words for the help of The Canada and Bermuda Territory in repairing the house.

Prayer requests:

- For candidates for officership. It has been many years since the Bahamas Division sent a cadet to training college – young people are interested, but find it difficult to step out in faith;
- For the Turks and Caicos Islands Corps, which is growing quickly and moving forward with building plans;
- For the safety of our people – violent crime is becoming a serious concern, especially in Nassau.

❖ For children up to grade 5 with a parent includes:

- Easter crafts & Games
- Easter Egg Hunt
- Easter Story & lots of fun

❖ Cost is free Must Preregister
